

## Emergency Phone Contact System

Hopedale Public Schools uses OneCallNow as an Emergency Phone Contact System to communicate important information to groups of parents and staff in a quick and efficient manner.

Each student or staff household can provide one or two phone numbers to be called when a school or district-wide emergency arises or when school is cancelled or dismissed early due to inclement weather. Even if you have more than one student in the school system, each phone number will receive only one call.

Snow Day cancellation calls will begin around 6:00 a.m. The system takes 30 minutes to an hour to complete all calls in the Hopedale District.

Snow cancellations will continue to be announced on:

**Our district website:** [www.hopedale.k12.ma.us](http://www.hopedale.k12.ma.us)

**Radio:** WMRC 1490 AM

**TV:** Channels 4, 5 and 7

We will test the system in the fall to insure that all students and staff are in the system and all phone numbers are current.

**Returning students and staff should submit any phone number changes, if necessary.**

**New students and staff should complete the form below to submit a home phone number and one alternate number, if they choose.**

-----  
Please detach and return this form to the office as soon as possible.
